PROFILE

Drupal Full Stack Developer with 5+ years of practical experience in Drupal site building, custom theming, module development, migrations, SEO, performance optimization, and API integrations. Skilled in Drupal 7, 8, 9, 10, and 11, Drupal Commerce, Twig/SCSS theming, configuration management, debugging, Git, Drush, Docker, and cPanel-based hosting support. Experienced in leading Drupal delivery work and building secure, maintainable solutions for corporate, ecommerce, and content-driven websites.

PROFESSIONAL EXPERIENCE

Drupal Developer / Team Lead | Drupify Pvt Ltd | 2021 - Present | Full Time

- Build and maintain Drupal websites using Drupal 7, 8, 9, 10, and 11 for client and business requirements.
- Lead Drupal development work at Drupify, supporting task planning, team coordination, technical guidance, and delivery quality.
- Develop custom Drupal modules and extend existing contributed modules to support project-specific functionality.
- Create and update custom Drupal themes using Twig, SCSS, JavaScript, and jQuery.
- Work with Drupal Commerce 2 for ecommerce-related site features and configuration.
- Handle Drupal migrations, SEO improvements, performance fixes, Views configuration, contextual filtering, and site debugging.
- Support REST/JSON API integrations, caching techniques, configuration management, and stable deployments using Git, Drush, Docker, and cPanel.
- Manage hosting-related tasks including cPanel file management, database handling, backups, and domain/subdomain setup support.

SELECTED PROJECTS

Al Hidaaya - <https://www.alhidaaya.com/>

Performed Drupal 7 to Drupal 11 migration, site building, and custom theming. Developed a custom module for time API integration based on country and city, using caching techniques for better performance.

Fox Bros Pools - <https://foxbrospools.com/>

Changed the complete theme look, completed Drupal site building and custom theming work, implemented SEO improvements, and resolved performance issues.

Global Homeo Expert - <https://globalhomeoexpert.com/>

Completed Drupal site building and custom theming work for a content-driven website.

Cykelcentralen - <https://www.cykelcentralen.dk/>

Delivered design fixes and configured Views contextual filtering to improve listing and content display behavior.
